

THE POLITICAL HOROSCOPE

Will Dr. Walter H. Brooks be in it this time?

Prof. W. H. H. Hart is a gentleman of infinite resource.

The lightning rod of Mr. John F. Cook is distinctly visible.

Ecclesiastical politics is dividing honors with the straight variety.

The "Fairbanks for 1904" boom is making a hit in the "Amen corner."

The birth of a lot of new race journals reminds us that the campaign is coming on.

The Maryland colored brother is laboring industriously to find out where he is at.

It is wonderful how friendly a man becomes when the delegate bee gets to buzzing in his bonnet.

Isn't the time about ripe for another Watty Cummings interview.

R. Henri Herbert has been installed clerk of the Committee on Post Bills in the New Jersey Legislature at Trenton.

It is hinted that things are getting too dull around the District of Columbia for the Hon. Thomas L. Jones, and that he is thinking seriously of migrating to Kentucky.

Dr. Sumner A. Furniss, Dr. Joseph H. Ward, Elwood Knox, John Puryear, Chas. W. Brown and Robert B. Bagby of Indianapolis are among the formidable ones mentioned for the next legislature in Indiana.

The emphatic declarations of Carter Harrison and "Tom" Toggart to tackle the gubernatorial nominations in Illinois and Indiana, throw out a strong hint that these two astute gentlemen do not regard this as a sunshiny democratic year.

The House committee on elections No. 1, divided on party lines and by a vote of 6 to 2 decided to recommend the seating of William F. Aldrich. Republican, who contests the seat now, held by Gaston B. Robbins, Democrats, for the Fourth Congressional district of Alabama.

The conviction is stealing over the rank and file of the Negro voters of the District that Mr. Daniel Murray is excellent delegate timber. Mr. Murray is active. He is public-spirited. He is always helping somebody. He never shirks a duty. He is above petty methods. His political honor is unpurchasable. Mr. Murray is the right kind of a man to represent our people.

Ex-Senator W. Lee Person, deciding not to wait until he got gray from looking for that promised clerkship at the Government Printing Office, has secured a snug berth in the Pension Bureau. Mr. Person is one of the galaxy of bright young men who have come to us from North Carolina.

The Negro democrats are casting about for a national leader, but are experiencing trouble in finding a man big enough to fill the size of mantle they cut out. Judge J. C. Matthews, Edward E. Lee, A. E. Manning, P. Hampton White, J. Milton Turner, F. L. McGhee and James A. Ross are taking turns at trying it on.

The Republicans of the Seventh Assembly District met at 1142 Fifteenth street northwest, and elected the following officers: John A. Gray, Sr., president; James A. Storum, vice president;

Dr. W. S. Lofton, Secretary, and John F. Cook, treasurer. After a general discussion the meeting adjourned, subject to the call of the president.

At Charlotte Hall, Md.

Charlotte Hall, Md., Special-Permit me to call your attention to a section of Maryland of which little is known to your readers. Though in close proximity to Washington and Baltimore it is not in touch with modern improvements. Here are more colored people than in any section of the state, and has a large number of colored farmers, some of them well to do. With the exception of St. Mary's N. and I. School, there is not an institution of high grade in this section, consequently one finds little training above the common schools among our people. Mrs. G. W. Murfree and daughter of Louisville, Ky. are not teaching in Virginia as stated in your paper of recent date. Miss S. G. Murfree is teaching in St. Paul's N. and I. School at Lawrenceville, Va. Mrs. A. E. Graham, the other daughter is in charge of the Normal Department at St. Mary's N. and I. School, Charlotte Hall, Md. The mother, the sewing department. Mrs. Graham is a borne teacher, a good disciplinarian and has brought to the work wide experience. On the 24th she was married by Rev. H. C. Bishop, St. Phillip's P. E. church, New York to Mr. Albert McIntyre. It came with great surprise to the teachers and pupils of the school. Mrs. McIntyre was idolized by her children and it was with difficulty to bring themselves to believe she was married. Nothing less would convince them than reading the marriage certificate.

His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. He has the secret of winning the affections of the opposite sex.

It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2481 Atlantic avenue; the Hon. William Denmore, architect and builder, 47 Cleveland avenue, and Mr. Arthur Sewell, ship builder South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them.

PLEASE READ THE FOLLOWING:

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once.

Sincerely,

Albert Ayers,
2937 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst, that can help people and tell them what to do.

Mrs. Mary Miller,

A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time, Mrs. Brown, 37 Gay street. No one seemed to understand her case. She had several doctors but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her sound and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William Johnson, pastor Lebanon church, Brooklyn.

Dr. Shea can show thousands such as the above.
